#### Section A - Short Essay Question:

‘Duties define the manager’. Do you agree or disagree with this statement?

In your answer you might: (1) consider, and discuss, the main duties, roles or functions of managers, (2) critically evaluate how managers’ duties would be different whether they work for a hierarchical or network / learning organisation, (3) discuss, also from ethical perspectives, in what ways managers could provide different management or leadership styles to fulfil their duties.

Use themes and concepts from the unit describing the challenges of contemporary management issues as appropriate in order to develop and support your argument.
